SOLICITATION & ASSISTANCE, copies included

Granite Construction uses SmartBidNet (SBN) to send out bid notifications and DBE solicitations. SBN utilizes the Caltrans DBE database, derived from the web, to send notifications (either fax or email) to suppliers and subcontractors notifying them of upcoming Granite bids.

DBE download performed by a select person in Granite. The download is performed once a week so the most current list is solicited. Firms added or deleted from the UCP database in the following weeks from the initial solicitation will be contacted if added.

Download performed from Unified Certification Program to identify certified contractors:
